It's that time of the year to "tee up for teens" at our annual golf tournament. The past two tournaments have been our most financially successful tournaments yet, and we trust that this year will be just as great. We will again have a chipping contest including a phenomenal prize for the winner and an opportunity for all to participate in a raffle for a **BIG GREEN EGG**. The funds raised through our tournament will be used to continue bringing Christ's hope and healing to the teens and families we serve through our Teen Residential Program and Community Counseling Center. We will be returning to the beautiful Bent Tree course just up the street from our campus.

Through our teen residential program we've been privileged to see many teens healed and restored to their families. Some of them have gone on to complete college and many have begun their own families. Through our Counseling Center we're ministering to 250+ individuals and families each year. We're seeing marriages restored, relationships between parents and kids healed and many individuals finding freedom from life controlling issues.

On the next two pages you will find our sponsorship and registration information. We believe this will be a great marketing opportunity for our corporate sponsors with varied opportunities at the different levels of sponsorship.

We will be providing a bag for each golfer that will include tees and golf balls, along with other items they can use. We also will be awarding several door prizes for our golfers. A marketing opportunity for your company is available through providing items for each golfer's bag or through the donation of a door prize.

Thanks again for your interest in making a difference in the lives and families we serve at The Joy House. Please join us for this meaningful event and share it with your golfing friends. We look forward to hearing from you soon and seeing you on the course on Tuesday, October 22nd.

Sincerely,

A handwritten signature in blue ink that reads 'Steve'.
