

A Teen Residential Program and Community Counseling Center

Too Good to Be True

Tax Credit Still Available for 2020

I hope this finds you well. I want to make you aware of a special opportunity to give that can also earn you a Georgia Tax Credit. You can give money that would go toward your 2020 Georgia Income tax liability to benefit students here and receive a dollar-for-dollar tax credit. There is still an opportunity to give through this program for the 2020 tax year. You must act by the end of the day this Friday to take advantage of this opportunity.

Some business owners might particularly be interested in this opportunity because now, near the end of the year, you have a much better idea what your tax burden is for the year. A business owner that is part of an LLC, partnership, or sole proprietor can give up to \$10,000. A C-Corp can give up to 75% of their tax liability.

You can learn the details of this program by following this [link](#) . If you still have questions after reading that information you can contact me via phone at 706-253-7569 or by email: steve@thejoyhouse.org . If you would like to participate and give you can follow this [link](#), to the Georgia Student Scholarship Organization website, and make your request. You will designate “The Joy House School” as your school of choice. If you know other business owners who may be interested in this opportunity please pass this along to them.

Steve
