Registration and Check-In beginning at 11:15 AM

Putting & Chipping Contests - 11:30 AM - 1:15 PM

Lunch Beginning at 11:45 AM

Shotgun Start at 1:30 PM

It's that time of the year to "tee up for teens" at our annual golf tournament. We're looking forward to another successful tourney in its 17th year. **We will again have our \$10,000 Hole-in-One prize hole along with great prizes for our Putting and Chipping contests. Our tradition of raffling a Big Green Egg will also continue this year.** The funds raised through our tournament will be used to continue bringing Christ's hope and healing to the teens and families we serve through our Teen Residential Program and Community Counseling Center. We will be returning to the beautiful Bent Tree course just up the street from our campus.

Through our teen residential program we've been privileged to see many teens healed and restored to their families. Some of them have gone on to complete college and many have begun their own families. Through our Counseling Center we're ministering to 200+ individuals and families each year. We're seeing marriages restored, relationships between parents and kids healed and many individuals finding freedom from life controlling issues.

On the next two pages you will find our sponsorship and registration information. We believe this will be a great marketing opportunity for our corporate sponsors with varied opportunities at the different levels of sponsorship.

We will be providing a player pack for each golfer. We also will be awarding several door prizes for our golfers. A marketing opportunity for your company is available through providing items for each golfer's bag or through the donation of a door prize.

Thanks again for your interest in making a difference in the lives and families we serve at The Joy House. Please join us for this meaningful event and share it with your golfing friends. We look forward to hearing from you soon and seeing you on the course on Tuesday, October 24th.

Sincerely,

STEVE LOWE, EXECUTIVE DIRECTOR
